Great Sacandaga Lake Business Association

\$500 Tagged Fish Contest

Here is the signup sheet for the fish contest. Please send it back ASAP so that we can get everything set up for the summer. Thanks!!

Well - It's that time of the year again. The Great Sacandaga Lake Fisheries Federation is getting ready to stock our lake, and we are getting ready for our \$500 fish contest. The stocking will take place about April first and we need to be ready. We would like to have all our committed members lined up by March 30th to be sure all will go well.

For those of you new to our contest - here is how it works:

- 1. You must be a member of the Great Sacandaga Lake Business Association.*
- 2. The Great Sacandaga Lake Fisheries Federation will set aside a block of fish tags for our use in the contest.*
- 2. Each contest member is given a tag number and agrees to pay \$10 for each tagged fish caught.*
- 3. The winner brings the tagged fish to a drop off place is photographed, signs a waiver for advertising and gets \$500 sent to them for the tagged fish.*
- 4. The contest will last for one year (until the stocking next year).*

The contest caught 18 fish this last year.

We are going to get started by setting up for 10 fish at \$10 each plus \$25 for the Fish Federation tag. This also makes you a member of the Fisheries Federation. We will bill you for the next 10 fish when the first 9 are caught. So - The total to get started will be \$125.

Lets get going on what has been the best fishing contest in the area (maybe the whole northeast).

I agree to the above conditions of the \$500 Fish Contest.
